Hello Cynthia,

I hope you had a wonderful holiday weekend! Let's do Café Mobius at 11:30am tomorrow. It is located at 1219 Greene Street, which is the main street in downtown Silverton.

Please let me know if you have any questions or need me to bring anything to the meeting.
Looking forward to it! Take care ~ Amy

Hello, Amy.

Thank you for making the time to meet with us next Tuesday morning. We didn't have a place in mind. If you have a favorite coffee spot, just let me know, and we will plan to meet you there at 11:30.

We look forward to seeing you then.

Cynthia

Good Afternoon Cynthia,

Congratulations on the new position! I would love to meet with you and Paula while you are in town. Tuesday at 11:30am would work best for me. Where did you have in mind? If you would like, I can provide you with a few suggestions on good locations for coffee in town. Let me know what you decide.

I look forward to meeting you both next week as well as working with you in the future.

Take care,

Amy

Hello, Ms. Dickinson.

Thank you so much for returning my phone call this morning. Since I will be away from my desk in training the next few days, I was afraid we might be entering into a long cycle of phone tag, so I thought the more direct route might be this email.

I am the new Upper Animas Community Involvement Coordinator for the Environmental Protection Agency. Paula Schmittdiel, the Upper Animas Remedial Program Manager, and I will be in Silverton on May 27 and 28. We are hoping to meet with you while we are in town to introduce ourselves to you. We understand that you have just recently taken your position with the Chamber, and we are both new to working in this community, as well. Basically, with this meeting we would like to start a conversation with you that will help us better understand the town of Silverton going forward.

If you are available for a half hour between 11:30 am and 1:00 pm next Tuesday, or between 10:30 am and 1:30 pm next Wednesday, please let me know, and we can set up a time to meet.

Best regards,

Cynthia Peterson
